I knew your Frank from Roy Rogers. I work in home health care and so occasionally go to Roy Rogers if I have a patient in that area of Manassas, and thus would see him from time to time. Frank always would say hi to me and sometimes share a little about his health. I was sad to go to Roy Rogers today and to not see him sitting at his table and to see the sign hanging up in the entry way that he had passed away. Prayers for comfort and peace to your family and I hope you all will have many happy memories.
