Family with my deepest condolences on the untimely passing of "skeeter" It is with my deepest regret that I will not be able to attend the service I along with my family here in Ohio and California send our prayers. I can remember when Skeeter was very young and very mischevious all I would have to do is tell him that the Green Dr was coming and boy would he take flight! and scared out of his wits!!
Melvin, Gloriamy love and prayers go out to you doing this time of sadness remember God has a plan for each and everyone of us take care and I will be seeing you in the coming weeks.
