Such sad news to hear....I used to babysit Scott and Jeremy many, many years ago! Our prayers are with Dick, Jackie and the entire family during this very difficult time. We know the pain all to well as we lost our 34 year old daughter (my stepdaughter) this past June. Nothing can every prepare you for such a loss. I am praying for comfort and peace which I know is hard to come by in a time like this. I am praying for Scott's wife and children and the suffering they are experiencing. I know that the Lord is in control and that He will see you through the tears, the pain, and the loss. Hold on to the wonderful memories and know that you are thought of and prayed for. So sorry that you are having to go through this - unfortunately, we can say we completely understand.
Rest in peace, Scott.

We lost a very sweet and good man to early. He was always ready to lend a ear if you needed it and treated everyone the same. I haven't worked with him in years but was always in my heart and mind. To the family I am so sorry for your loss, but always remember he is always looking out for you for now and forever. Many prayers and hugs being sent your way. Your friend Stephanie Kerns
