

Desiree Kaye Phucas

January 17, 1960 - February 2, 2021

Desiree Kaye Phucas passed away unexpectedly on February 2, 2021 at her home in Haymarket, VA.

Desi was born on January 17, 1960 in Fargo, North Dakota to Gordon and Marlene Moe. At a young age she moved to New Mexico. She had wonderful memories of the landscape, the sunsets, and the memories made exploring outside. While still a child she moved to Northern Virginia, attending McLean High School. She married, had two children, and moved all over the country, eventually settling back down in the area.

Desi never tired of learning something new and always knew she was destined to play music. She learned to play many instruments: the flute, the piano, the concertina, the tin whistle. But it wasn't until she started playing the bass that she truly found her sound. She went on to master her craft while playing at church, eventually forming her own band, and played routinely in several locations around the Washington, D.C. Metro area. Her DK's Wolf family as well as her Brothers in Christ Motorcycle Ministry were a huge part of her life and something she was so very proud of.

Desi's true calling was as a loving Daughter, Mother, and Nana. Spending time with her daughter, son, and three grandchildren were the best times for her. She was a frequent sight at baseball and football games, as well as cheering along at the side of Brazilian jiu-jitsu mats. She loved nothing better than to be with her grandchildren encouraging and creating mischief along with them, her laughter often the loudest.

She loved as she lived.. To the moon and back and more.

Preceded in death by her mother Marlene Moe, she will be sadly missed by her loving family, Gordon and Judy Moe (Father), Doug Flammang (Uncle), Faline & George Davenport (Daughter), Nick Phucas (Son), and her adoring grandchildren Margaret Davenport, Kelsey Davenport & Elias Phucas, as well as the many extended family, friends, and fans.

Internment will be Sat Feb 13th, 2021 in St Marys County, MD for the immediate family only. In lieu of flowers please consider making a donation to one of the following in her name: ASPCA & Cross International.

“ My wife Debbie and I are deeply saddened by Desi's passing. Our thoughts and prayers are with Faline, George, Margaret, and Kelsey, with whom we have grown close. Together we have shared many of the travails of the past year and we feel close to Desi as well. We wish we had more time with her. We look forward to help keeping Desi's spirit and vitality and love alive.

“ Desi and I went to high school together and our kids were born just a few months apart. I have many fond memories of our play dates with the kids at Evans Farm Inn feeding the ducks! I'm so sorry for your loss Faline and Nick. Your mom was a wonderful woman and good friend.

“ Desi, I know you are in the arms of Jesus, but we miss you terribly. You were the best neighbor and friend I could have asked for. Our family history together, us moving up on this mountain together, praying together, was definitely part of God's plans for our lives. I thank Him for our time together. You are and were such a blessing to me and my family. I will never forget you my friend! Love you forever!

“ Do not go gentle into the night. Say not in grief she is no more, but in the thankfulness that she was.

“ During any family get together, you always knew Aunt Desi was having a good time because of her infectious laugh that could be heard through the whole party. Aunt Desi always encouraged mine and my cousin Nick's wacky antics or Faline's games of charades or telephone that she would lead for all of her younger cousins.

Aunt Desi was the best Aunt anyone could ask for and was also a loving mother and grandmother. She had the biggest heart of anyone I know and her optimism and kindness were always a beacon of her love towards anyone she knew. She has left us too soon but will never be forgotten. I love you Aunt Desi.

Love,
Nolo

“ This girl couldn't have asked for a better mom. My mom was my biggest cheerleader..my number one fan. Always there for me. Always encouraging me to do anything and everything I set my heart out to do. At every school assembly, every volleyball game, every graduation, every moment in my life my mom was always there.

She loved me and my family, extended family and any and all of my friends she ever met. And they loved her too. She just had a way of caring about everyone that was so special.

I know my mom loved God with all of her heart and soul. I know beyond a shadow of a doubt God has her safe in his loving arms. Selfishly I just would do anything to still have her in mine.

I love you mom. I always have and I always will.

Faline Davenport - February 09 at 06:44 PM

“ Dr. Davenport, You have my heartfelt sympathy. I will be thinking of you and praying for God's touch to give you comfort and strength.

“ She was the best . If I ever met an angel on earth It was her . She was my best friend . I know she is happy and with the Lord . She loved her family tremendously. I loved hearing all her stories about being a young mother and all the accomplishments she had in life . I want you to know she was a very proud mother and nana. One of my favorite stories she told me was about her grand daughter Margaret . Your Mama meant a lot to me and I will miss her so much but her spirit still remains . Praying for everyone who loved her to get through this .

“ Desi had a heart of gold. She was so kind and thoughtful, beautiful inside and out. Love you, Nana.

“ Desi was a special soul. She lit up the room and would never hesitate to lend a helping hand. She was there for me (and my family whom she never met) with her support, prayers and guidance. She had a way of making you feel better just by her smile and infectious laugh. She always made me feel special and I always looked forward to seeing her and her band play. It is truly a devastating loss to her family, friends and anyone who came in contact with her. My heart goes out to her family, to her band mates, to her friends. She will be dearly missed but will live forever in our hearts as one of the kindest and most compassionate people that graced this earth. Heaven has gained a special angel. Rest in peace Desi.

“ We love and miss you Desi. I'm sure it's surreal for all those who were very close to you. But then again, you made everyone feel close to you. Is it surreal for you up there in Heaven?

Kathy Stone - February 09 at 08:56 AM

“ My wife, Alie, and I met Desi with her band, DK's Wolf, more than ten years ago. Through those years there were a few band member changes, but one thing didn't change, and that was Desi's wonderful personality. She was a kind-hearted soul who loved and appreciated everyone she met. She spread that love through her music, her involvement with the church, and through rescuing animals; particularly, dogs. God bless her soul and may she rest in peace!

William J. Langhorst, Jr. - February 09 at 06:30 AM
