“ We will always remember Mrs. Doris for her beautiful smile and daily greetings. She was an excellent gardener, always striving to make sure her flowers stood out. She was also dedicated to holidays such as Halloween, placing fun decorations and eagerly giving out candy to neighborhood children. You will be dearly missed, rest in peace.

“ Doris was just one of sweetest person I knew. She and John enjoyed having conversations with me on their front porch. She would tinker around her yard and was proud of her flowers bed. She loved animals especially ones that wandered up to her house. She always said hello and had a smile on her face. Doris will be missed not only by your family but many in the community. Rest In Peace sweet lady! My prayers are with John and his family.

“ Doris was such a caring person to all things living. She cared for countless skinned knees and other boo- boos that happened on a daily basis in a neighborhood full of rambunctious kids. She nursed squirrels, birds and other animals that fell into harms way back to health, and the ones that were too far gone had a decent burial in her back yard. She was kind and generous. These memories and so many more will live with those who were lucky enough to know her. Rest In Peace Doris. Sincerely,
Shirley Spicer and Dottie Lemos
