“ We are heartbroken over the loss of Brantley. I feel so fortunate to consider him family from college on. He was always so kind and giving and had such a great sense of humor. I will always cherish the memories we had together as he looked over us and got us out of college mischief... and sometimes participated in it :) His smile says it all as he always smiled from the inside out. What a wonderful person! To the whole Martin family, we are so sorry for your loss and know Brantley is looking over you now.

“ George was one of a kind, a great friend and very special person; he was like a son to me, in fact younger than my son. He loved his family and was so proud of their accomplishments. He was passionate about his friends and generous to a fault; a fun guy to be around; a great storyteller. There was never any doubt where George stood on an issue; he spoke his mind; he was an open book It is so appropriate that he be laid to RIP at ANC as he loved his country and was patriotic to the core. Fact is, I loved the guy and shall miss him dearly. I pray God's blessings for George and his family. May he RIP! So long my Friend.

“ Kyung-Hwa, Willis, Julian, Agnes and family, many memories of our days on Raven Drive.

So enjoyed our "Smiling George", his great jokes and laughs, watching the boys grow and listening to his many stories! What a "Good Ole Southern Boy" who will be so missed.

“ George was special to all who knew him. He was loyal to his family, friends, colleagues and our country. If you were fortunate enough to be considered a friend by George, he would drop everything if you were in need. I will miss him greatly.
