“ Jimbo was my instructor at FLETC. Jim absolutely knew how to inspire anyone to be a better person, smarter and kinder. I didn't know Jim for that long but he was and will be one of the friends you wish that you had.

I feel sorry for your loss.

“ Marianne and family. I was so sad to hear about Jim's passing. We were two former colleagues who had become very good friends the last two years due to both of our medical problems that we developed after we retired. He was always so supportive of me as I was of him and both of us kept our prayers going for each other. He was a jewel of a man and a great friend. I will miss him so much as I know all of you will but I can take comfort now in knowing that he is no longer in pain and that we all will get to see him again one day.

“ Marianne, we so wish we could be there with you and the family. This is when being so many miles apart is just wrong. We had so much fun with Jim and you over the years. The baseball games in Baltimore, when Matthew pretended to call the Baseball commissioner to complain about the game being so bad, going out for

Italian food, the pastry shop and the deli. Remember the time our car broke down? Or when we circled around Baltimore more than we wanted too!! Jim always made sure these past years that your home was ready for our stays, you both welcomed us back like family every time. We will always think of Jim when we throw away a q-tip!! Mom and Jim and I are with you and the family in our thoughts, prayers and hearts. Love to you all, Karen, Jim and Margaret

“ My deepest sympathies. Working with Jim was an honor and a privilege. Although I worked at the USMS in Central NY, i had many opportunities to work with Jim. His knowledge and sense of humor made all who knew him better at their jobs and better individuals as a whole. I thank my lucky stars that I knew Jim and called him "friend". Rest in peace my friend. “ Jim was one of my closest friends at the agency, and his good counsel was invaluable to all. He was hard-working, humorous, and most of all a great person to know! His service to our county in Viet Nam and otherwise, he never left a soldier behind. He faced life with the same bravery as his military days. No one who knew him could ever forget him--he is and will always be our closer. Rest my friend!

Your Pal,

Dave T.

“ I had the pleasure of working and bring friends with Jim. Anytime I had a question Jim always had an answer. And he never wafted. He was so knowledgeable in asset forfeiture and he shared his knowledge with us. I worked with him, laughed with him, and shared a Schlitz beer with him that I had as a carry on on my flight from Milwaukee. Jim I raise my can you, RIP my friend. My deepest condolence to your family. I will cherish my memories of you always.
