

## James Randall Mullins

October 3, 1956 - April 17, 2019

James Mullins of Haymarket, Virginia passed away unexpectedly on April 17 at the age of 62. He passed in his home that he had shared with his cherished wife, Barbara Walker Mullins, with whom he has now been reunited, as their love story continues. He is loved and will be missed by brothers Steven, Richard, and Kevin and sister Elizabeth Mullins Karmosky and their spouses, his nieces and nephews, a close and loving extended family, and all of the people fortunate to have shared his friendship.

Jimmy was born October 3, 1956 in Tennessee to Norma Elizabeth and Eugene Mullins. He worked for many years in various capacities in the construction field. His home was filled with love that he and Barb shared with their furry kids, Emmylou and Sasha, and a variety of transient rescues, critters from birds, squirrels, raccoons and skunks to all of the beloved horses and dogs they raised and loved over the years.

A celebration of their lives will take place on Saturday April 20th from 4pm to 7pm at the Warrenton Moose Lodge. All are welcome to share memories, listen to some bluegrass, and discover the connections we all share because of these two kind, generous and genuinely good people. Jimmy and Barb quietly went about their lives making the world a better place and while we will miss them, our lives have been enriched for having known them.

The family requests that in lieu of flowers or donations, their memory be honored with a simple act of kindness to person or animal.

“ Please accept my family’s sincere condolences on the loss of your dear loved one Mr. Mullins. May you find comfort in fond memories of him, and hope in God’s assured promise to shortly awaken those asleep in death to perfect health and conditions under his new earthly government.

“ From Mark & Pricillia Perko, We called him "Big Jim" and he and Barb were very good friends over the years. We always had a great time with them and miss Barb and now we will also miss Jim coming to the River to see us. He will be missed. as is Barb. I found out too late to attend the celebration but we would have loved to have been able to attend. I remember many good times with them both. One was at Christmas time for the clinic party when Jim wore a santa outfit...all of the girls (and of course, some of the guys) had to sit on his lap to open their presents...he was especially funny that evening and created a lasting memory...
