“ Our family and the Myers family spent many fun times together as neighbors and dear friends. Our kids grew up together and we shared vacations together. He loved his family so much. Much love, big hugs and happy memories with John, Connie, Katie and James. We took them skiing and they came to visit us and ski in Utah. So sorry for John's loss. He is in heaven having a good time with Dick.

“ I met John in 1976 while working for Systems Consultants, Inc. He was one of the good guys. I also saw him and Connie ( she may not remember me) at social events. I was sorry to hear the news about John. He and his family are in my prayers.

“ I came by this information third-hand and just wanted to say how sad I was to hear this. I met John in 1976 at Systems Consultants and worked with him for a number of years. Also saw John and Connie at social events (not sure she would remember me). He was one of the good guys. He and his family are in my prayers.

“ I will always treasure the times we shared. My brother John would show up and he would be there for you if it was in his power to do so. We had many long phone conversations over the years after we moved to AZ. We loved him and his family so much. There were so many good times. My husband, Will, thought I had 4 brothers-- John, Mike, Dave, & Steve. Then he realized John & Mike were one and the same! Remember to keep his light shining by always trying to do the right thing, laughing when you can, and being there for each other. He got more sentimental as the years passed, made more time for others, and left a legacy of love . He will be missed.

“ John assumed the role of "Dad" in my life when I lost my own. He always embraced me as a second daughter. He filled that void in my life. His heart was huge and he had an ability to make me feel like I was the most important person in the room. Always. He welcomed me and my family into his life and we loved him so. We will miss him immeasurably. John, a memory I will always hold dear is the Christmas that Cam had the Christmas carol kazoos, and I conducted and sang...and you said I did a beautiful job.

You always said I was doing a beautiful job. You were always my champion. I will continue to do a beautiful job in your honor, and we will dance together again one day.
