“ Sister Madge, I'm sorry we did not get to do that one last visit, Charlie and I enjoyed the visits to your house to play skip Bo and the times when we just sat around and chatted....I looked up to you so much.....I learned much from your example and I appreciate all the sound advice you gave me.....I will never forget the things you taught me about having the preachers for dinner.....I always admired your gift of hospitality and want to follow in your footsteps! I love you dearly sis Madge and I will miss you so much. I know you're in heaven now.....I will cherish all those special memories of you.....and your family! So happy I get to be mias mother in law! I promise you I will be good to her and love her as my very own....I will be praying for your family that God will give them a special grace in the days ahead.....thanks for the wonderful legacy you left.....I will never forget you....

“ There are no words to describe how i feel in the passing of Madge. First I want to say how sorry I am to the family. I have known Madge for at least 24 years. In those years I have learned that she was a daughter,a wife,a Mother, a Grandmother, a Great Grandmother and a friend. We have had many meals together. We have been to so many yard sales together that I can not count them. One Saturday we went to 79 yard sales together and she would mention this quite often when we were together. She was a very dedicated woman to her church and her family. I could go on and on with all the things we did together. I was very blessed a few days before she passed. I went to see her and stayed with her for about 3 hours and we talked alot and she had found a poem about friendship in a book she had in her bed. She asked me to read it to her and then she told me she loved me and told me how much she treasured our friendship. I told her the same and we talked some more. I will always be grateful for her love and friendship. She will be missed by many. Sending our love Madge. You are at peace .

“ So very sorry to hear of the passing of Madge - Spent lots of time w/her at her house - playing SKip-Bo and helping her to put several quilts together. Always a smile on her face and such a lovely person. Will surely miss going to visit her. May God bless all her family as they face this loss, and keep everyone in His loving care.

“ Grandmother -

I know you would prefer I not say this, but I'm going to anyway because it's true. You were a Grand. Mother. I told you I loved you all the time, I just hope you knew how much!! The flood of memories I have had is incredible - we've had so many good times together. I remember watching you quilt, having sleepovers with my friends at your house, hearing you pray from behind a closed bedroom door, your orange floats, your pizzas, the countless onion pies, warming by your wood stove with hot chocolate after a full day of sledding, kickball in your front yard, sitting on my front porch while you named every bird sound we heard (and there were a lot), and so many many phone calls!! I will forever treasure your wisdom, advice and just the plain old conversations we've had - I wish I could have just one more!! Thank you for being the grandmother that you were to me and later to Vinny and Giovanni!! I'm so so so happy you are in Heaven!!! We love and miss you so much it hurts!!!

I enjoyed all the moments we were blessed to share and enjoyed taking pictures of her and her sweet family! May the Lord comfort your hearts and may you live as the example she left you to follow
