“ I spent 30 years with this man as my father and I'm truly blessed to have had him in my life. His sense of humor was endless. He always had a joke to share, a comment to make us laugh and a facial expression to go with them. He was often quiet but we knew he always had our backs. He loved his wife, his kids, his grandkids and his pups. He was kind to everyone he came in contact with. He has given me so many great memories that I will cherish for the rest of my life.

“ I have known Mr. Butler since I was about 7 years old. He was always the sweetest man even when Debbie and I were being rambunctious little girls. I will miss his wonderful and bright smile that could light up the world. He may be gone but never gotten. May you rest in paradise Me. Butler, until we meet again. Tonya

“ Never saw my brother-in-law ever lose his temper. He was always joking. Even when serious it always seemed like a joke. He was such a sweet caring person always ready to lend a helping hand whether it was for family or friends. Could not say no to lending a hand. He will always be remembered as a mild mannered and sweet man. You will be missed by us all.
