“ You are such a beautiful soul full of Gods love and grace. You will always be fondly remembered for how you poured so much of yourself into others. Thank you for helping to mold and shape me into the woman that I am through your kind, gentle spirit. You'll always be remembered for your strength, your faith, your heart full of gratitude and God's love. I will always cherish the time and love you personally gave to me when you set me up for College, treating me as your own daughter. “ When God created Vickie Marie, he sprinkled in a whole lot of kindness and love. She was the kindest person I've ever known. Her presence lights up the room. The twinkle in her eyes gave off a sign of trust. Heaven has gained a ray of sunshine. You have earned your wings, my friend. You will be missed but NEVER forgotten.
