

William Miller Shoop Jr

August 29, 1940 - November 2, 2019

William Miller Shoop, Jr., age 79 of Ocean City, MD passed away peacefully on November 2, 2019 at the Capital Caring Adler Center in Aldie, Virginia. He was born on August 29, 1940, to the late William Shoop, Sr. and Mary Dietrick Shoop.

Bill's prize possessions were his faith, wife, and his family. Time spent with his wife, his children and their families brought him the most joy. He loved them with all his heart. His faith influenced the way he lived his life and you could see it in all his actions. Bill always saw the good in people and loved to strike up a conversation with anyone.

He has been involved in sports since childhood. He played basketball and baseball at John Harris High School in Harrisburg, PA. Bill graduated from Penn State University and worked at the U.S. Patent & Trademark Office for 37 years. Once Bill and Sue retired, they moved to Ocean City, MD where they achieved their dream of living at the beach. They were able to travel many places and treasure their time together.

Bill was involved with many groups in the community. He served as deacon, Sunday School Director, youth group leader, and sang bass in the church choir. Once he retired to Ocean City, he became involved in the AARP group and was the Treasurer for the local chapter. He also served as treasurer for the condo association. Bill and Sue became members of St. Peter's Lutheran Church in Ocean City and happily became involved in many duties and activities he performed so lovingly.

William joins his parents and his sister Betty Groff. He is survived by his loving wife of 55 years, Susan Neely Shoop; Daughters Cynthia Louise Thomas and her husband Andrew Thomas, Sr., Ceda Anne Putiyon and her husband Jeff, and Carolyn Sue Pope and her husband Shannon; Grandchildren Andrew Thomas, Jr., Amanda Thomas, Patricia Putiyon, Austin Thomas, and Christopher Pope; Great Grandchildren Andrew Thomas III, and Trinity Thomas; and his little dog, Teddy.

“ Mr. Shoop was one of first supervisors. He had a kind heart and always a quick smile. We found out while working with him that he examined my father's patent during his time an examiner. My sympathies to his family. He will carry on in all of us that he has touched.
