“ Aaron was truly a one of a kind soul . We were so close when we're younger , even though I was his baby sitter most of thr time ,he was my little brother . We had some of the most amazing times though out life . From piling up all the stuff animals in thr basment and bulldozing through them , to camping at Kings dominion. You will truly be missed A . Rest easy young man until we meet again 💜

“ my grand son Aaron bonded with me at age 10. He came to my home in Carthage during one summer. we had fun riding bikes and when I went to a senior dance with family he would set up chairs and help. One memory: while feeding the fish in my pond he stepped off the dock and I had to grab him by his shirt collar to pull him out. His picture is a likeness of me at the same age. We will miss him as he loved his grand pop.

“ I will always love you ! I miss you, Aaron ! Keep watch over us in Heaven with all the saints ! You are at peace now. My heart is aching for your presence here but I know you are enjoying perfect peace with the Lord now ❤️

I know you're singing with the angles

"When we all get to Heaven

What a day of rejoicing that will be,

When we all see Jesus,

We'll sing and shout the victory

(the victory)

Rest In Paradise my sweet son 😊

We will be together again someday and I know you'll be waiting with open arms
