“ Dear Greg, Kathy, Suzanne, Mike and families, I am so sorry to hear of the passing of your mom. She was a very sweet lady. I remember seeing her at the Brentsville Football games. Our thoughts and prayers are with you all. My mom just passed in September, so I truly know how your heart is aching. May Gods love comfort you in this time of sorrow.

“ Dear Greg, Suzanne and family, when the Lord calls our loved ones home, he leaves a gift of memories in exchange. I know Ada will be missed dearly. It meant so much to me when you (Greg) and Ada came to my father's funeral services. You both could have skipped the service and I never would have known you herd of dad's passing, but you both chose to come see me and my family and that meant the world to me, Thank you both for your kindness. I wish I could be in Va at this time to be with you now, but I'm to far away, but know you are close to my heart and in my thoughts and prayers.

*Ada is in good hands and in loving company!
Have peace in your heart,

“ Years ago when my husband left me, Ada looked me straight in the eyes and said that I didn't need a man to survive and have a good life. Then she gave me a big hug and held me while I let some tears flow. I'll never forget that.
