“ Was a helping hand, funny guy, and he personally helped me out on many of jobs that I would not have been able to do, let alone complete without him. We had fun times, hard working times, but most of all we had memories that I will cherish. Adam you will be truly missed, rest easy. My deepest condolences to you and your family.

“ It's been a long time. And you had an amazing heart and loved with everything you had. Heaven gained an angel and the world lost. Wishing I was home with the family right now for this time. I know you and mom are watching. I wish now I hadn't hated taking pictures so much. We had a run. You became my best friend at 17 and then more at 20. I will forever cherish those years. I always wanted you happy. So fly high, be happy and know you will always be loved by those you watch over.

“ Adam,  
You were a light hearted, funny, cowboy loving young man. Full of laughter and always the life of the party like your Uncle Mike. We love you and miss you. You were taken from us to soon. I guess now you've got Granny up there telling jokes and playing cards. I see Granny up every day ,she's a red bird. Now what bird will you be? Love you Adam. With much love , Uncle Mike and Aunt Lynda
