“ *Not only karaoke, a forever friend*

I stumbled upon America's one night, I squealed in delight, I heard you singing, the sound system rocked, I just knew I found a place from the top. You greeted me with a smile, you were so happy too, you welcomed me and I knew I found a friend in you. You told me your story, I told you mine, soon enough you were texting and IMing me all the time, we are facebook friends, we are forever friends. You always made sure to make me feel special come sing tonight and I was of course in my delight. You have requested your favs, true to your colors, it is no wonder why we all say fight one more fight dear brother. You have touched so many lives, and that I have seen in such a short time. We all pray for you to recover a miracle you might say is needed, but the true miracle is how even when fighting your own fight, you looked to care for all of us and you are a true delight. We love you and say prayers for you, you were there for us and we are here for you.

I truly am going to miss you, you were such a kind person, fun, and you had the best voice I will cherish our Duet we did together! It is the little things that makes life priceless. Now you our the forever karaoke Angel, I hope you are having a great time singing upstairs!

“ Adrian was such a good friend to me when I drove out west with him. He took me in his own personal vehicle to help me learn the roads and mountain. The most beautiful hat he made me I will forever cherish. I cant express enough how thankful I was to have him as my friend when I felt so alone. He was a good human being like that, he became my friend when no one else cared too. R.I.P my dear sweet friend

“ Always my Pal, Adrian made me learn to Cha Cha Slide on a very cold night at the Moose a few years ago we practiced so much about 30 others joined in, we wound up in the parking lot doin our dance was so fun. We drove school buses together, laughed, cried, ate, went to NYC and went to the movies together. I do believe you are at peace today and may you be forever.

“ Father, I pray for The Carneal family and friends who are grieving...

They're hurting for many reasons, and I ask You to help them through this season of loss. I reach out to You, the Father of compassion and the Source of every comfort, asking You to touch them with Your unfailing love and kindness. Be their God who comforts them as they're going through their struggles, and bring them through the tough things ahead. Come alongside them in their pain, and strengthen them so they'll one day be able to help others who face the same struggles.

You're close to people whose hearts are breaking, those who are discouraged and have given up hope. May You who see their troubles and grief respond when they cry out.

When they're hurting, help them find their joy in You, for it's Your joy that will be their strength. Help them to trust You as their God of hope. Fill them with Your joy, peace, and hope by the power of the Holy Spirit. Help them experience the love, joy, and peace that are the results of His life in them, no matter what they're going through.

*May they sense Your presence in this hour of need. In Jesus' name,
Amen*

Adrian was a sweet and loving person. I am glad that I was able to see the real Adrian. He never gave up hope that he would get better. He had plans to go back home and even though he was so sick, he called me often to see how I was doing. He thought of others before himself. I will miss him and his phone calls. RIP Adrian

I knew him for a short while, but what I did know, and had a occasion now and then to hear him sing, he had a very warm and kind spirit. And his voice would always send chills down my arms, his talents n many areas was endless. May he rest in peace in the arms of his mom.
