July 20, 1932 - September 12, 2019

Albert "Al" Lee Crow, 87, of Manassas, Virginia departed his life on this earth on Thursday, September 12, 2019.

He was the son of the late Archie Campbell Crow and Emma Julia Sawyer Crow, born on July 20, 1932.

On May 22, 1954, he married his beloved wife, Nevia Ellen Turner of Fulks Run, Virginia.

He graduated from Porlock High School in 1950, and then attended Staunton Military Academy for one year. Following that, he received a four-year athletic scholarship to The College of William and Mary in football. His career was interrupted as a result of being drafted into the Army during the Korean Conflict.

He returned to William and Mary and completed his Bachelor of Science and Masters of Education in Physical Education.

Al was fortunate enough to have the opportunity to play Professional Football for the New York Giants, Buffalo Bills, and the Boston Patriots prior to beginning his lifelong career in education.

Al was a Physical Education teacher, Driver's Ed Instructor, Coach of Football, Baseball, Wrestling, and Track before being named the Athletic Director of Osbourn High School.

When Osbourn Park High School opened, he became their first Activities Director and enjoyed a successful career there until his retirement in 1991. He was honored by the school naming the football stadium Al Crow Stadium.

After retirement, Mr. and Mrs. Crow enjoyed eleven years on the Mission field in East Africa. He and Mrs. Crow have been active members of Manassas Baptist Church since 1961 serving as Deacons, Sunday School Teachers, Scout Leaders and many other roles.

He is survived by his wife of 65 years, Nevia; his son Scott (Sandy) Crow; grandsons, Joshua and Matthew Crow; a great grandson, Greyson Crow; brothers Billy (Judi) Crow and Frank (Linda) Crow; and numerous nieces and nephews. He was preceded in death by his sister Linda Crow Robinson.

A Celebration of Al's life will be held at Manassas Baptist Church on Saturday, September 21, at 11:00am.

In lieu of flowers, friends may make a donation in Al's name to the Manassas Baptist Church Mission Fund, 8730 Sudley Rd, Manassas VA, 20110.

“ Coach Crow taught my 9th grade PE class. He turned the class into a team where we learned to accept people as they were. Nothing influenced my future at OPHS more than Coach Crow's 9th grade PE class. I found lifelong friends there and learned a lot about life. Thanks Coach!

“ So sorry to hear of Coach Crow's passing. What a great man he was. He was a positive influence on thousands of young people who grew up better because of him. He didn't know much about wrestling, but without him we would NOT have had a wrestling team. Thank you Coach!

“ So sorry for your loss. Al Crow had an impact on every life he touched. Our children played sports at Osborn Park. He was at every activity they participated in. He was such a positive influence in their lives. Two are educators in Prince William County. The other is in law enforcement and a coach. Al’s influence was far reaching as well as the other wonderful teachers at OP. He shall be missed, but never forgotten. The Linder family.

“ Al Crow was a great person to know and work with. He was always positive and supportive. Osbourn Park was fortunate to have him as a teacher. coach, and athletic director. He was a great example for students and teaching staff alike. I know I certainly benefited from his advice and support in my years at O.P. “ Big Al, there aren't enough words to describe you!!! You are truly one of a kind, a leader, a gentle giant, a caring loving man, willing to help anyone who needed you. I cherish the memories of working with you, and Jim. We had a ball. I shall never forget you and the years of laughter we shared. YOU WILL BE MISSED!!!

“ I fondly remember Coach Crow from Osbourn High from 66-70. He was a truly great mentor and role model for those of us that were blessed with his leadership. I recall one day during gym class in the 67-68 school year when we had a great laugh with the Coach. We were on the track near the football field and class was finishing up. We headed (running) toward the gym. Tommy Miller and I were just behind the Coach and we yelled to him to "look out for the ditch" that was just ahead. He turned toward us and I can almost hear his mellow voice in response saying....."WHAT!" , and at the same time he turned to look at us. That was precisely as he came to the ditch that he hadn't seen. Coach went down like a tree and we all nearly cried laughing...Coach included. I remember that like it was yesterday. It is the same memory as this wonderful gentleman's always kind and honest demeanor. He will be missed by everyone that ever knew him. My sincere condolences to the family and his many friends.

“ My brother, AC, was class of 1967 from OH. Coach Crow was his gym teacher. One cold day AC wore long johns under his gym uniform. Coach Crow told him to wear them they had to be the same color as his gym uniform. AC got dye on his way home and ask our Mom to dye his long johns. The next day all Coach Crow could do was shake his head. I was the class of 1988 from OP. One day AC came and picked me up from practice. He ran into Coach Crow and he remember AC and the long johns. Coach asked if he was there to pick up his child. My brother laughed and said no my sister. I saw Coach several years ago in Fulks Run where I now live. I was shocked to see him. That is when learn he had family in the area. Coach Crow manage to survive 3 other siblings that went to OH and OP. I'm sure we all have great memories.

“ Al was always ready to help. He was steady hand, when the world was not too steady. When his brother in law fell ill, he gave guidance. And he became a strong and ready rudder, for me, when his nephew died so swiftly and suddenly, he gave me consul. Al was always a gentle giant with so much love and tenderness. I will miss you, we will miss you...Godspeed Al, you were a shining example of God's good works. We will be less without you.

“ To the Crow family, I am so sorry for your loss. I was fortunate to have had Al ("Coach") Crow as a coach, mentor and friend for 5 years at the old Osbourn High School. As good a coach as he was, he was an even better role model for me and many other young men.
