“ Chris:

*Passing along my sympathies to you and your family. Your grandfather was a great man. How coincidental that he was my Princpal in elementary school and years later, I would have the opportunity to coach you. Also, my grandfather knew him years before when they both worked in Mooringsport. I think about you often and hope you are doing well.*

“ *I was so sorry to read of Mr. Crowson's passing. He was a fine man, one my family thought highly of. They were all associated at school and church in Greenwood. The Crowsons moved just before Patsy and I would have started to first grade together. I last saw Mr. and Mrs. Crowson at a basketball game at Trinity Heights, and that was a good many years ago.*
