I pray that the supernatural peace of God fill your hearts and minds as you remember the love that precious Alexis brought to you and your family. I want to say thank you for leaving a legacy of Alexis to the MAGIC Foundation. What an incredibly thoughtful thing to do in your moment of grief. (I have a daughter with RSS also.)

“ Shawn and Emily, I will not repeat what I wrote earlier but, I wanted you to know that I am sending so many hugs your way. Embrace every hug you get tomorrow and from now on. Hugs are wonderful expressions of caring. The death of Alexis seems unfair and the answer to why may never be found. Your family is cared for and held up in prayer.

“ To the Joyner Family,
I am so sorry for the loss of your beautiful baby girl. I can't even begin to think what you are feeling. Emily, I emailed you privately, and I hope that you know just how sad and how heavy my heart is for you. As a mommy, I feel for you so much. I know you are trying to live by your faith and find strength from that. You are doing all you can do. I am so sorry.
