“ *To the Johnson Family,
I am so sorry to hear of your loss. I did not meet her personally. I only knew her pleasant voice over the phone whenever I needed Sprint assistance. She was a joy to work with, and always in great spirits.*

*I want to share these words of comfort with you. Those we love are never really lost to us--
we feel them in so many special ways--
through friends they always cared about and dreams they left behind,
in beauty that they added to our days...
in words of wisdom we still carry with us and memories that never will be gone...
Those we love are never really lost to us--
for everywhere their special love lives on.*

Freda will always be as close as a memory, and the God of all comfort is always as close as a prayer.

“ My deepest sympathies go out to the Johnson Family. I had the fortunate opportunity to work with Freda for about 4 years when I worked for Sprint. At one point Freda and I sat right next to each other and what I loved most about her was her kindness and her sense of humor. She had a great laugh and I would do my best everyday to bring it out, which wasn't hard to do since she was such a happy person. She would always say, "Patsy, you're too funny!" She made the best snickerdoodles I have ever eaten and would bake them for me whenever I asked. I had lost a sister and a brother in my time with Sprint and her genuine friendship and kindness at my time of loss was immense and will never be forgotten! May she now be at peace in the loving arms of God! My sincerest condolences to all who lost such a wonderful person who definitely made a mark on all of our hearts at one time or another! God Bless you Freda, thanks for the laughs and snickerdoodles and memories! Patsy

“ To the Johnson Family:
I am so sorry to hear of your loss. I did not know Freda very well, but had met and spoken to her several times through work. You know the first thing that would come to my mind when thinking of Freda would be the smile on her face and it seemed to always be glowing. She truly was a very special person that made such a positive impression on those around her. Many who have been blessed to have known or crossed her path will miss her greatly, but I know she is now in TOTAL PEACE with our Lord and Savior Jesus Christ. GOD BLESS YOU ALL!

“ *To the Family:
Freda was a dear friend of and she will be missed.
As her Pastor said on Monday Oct 13, 2008
Freda was Thoughtful, Loving, and Caring. Freda gave of herself to
so many people asking nothing in return. Freda loved the Lord and
was not ashamed to let everyone know. I know she is in Heaven
smiling down on all of us.
May you have gain courage in knowing what a wonderful sister you
had.
May god continue to bless and keep each of you*

I will continue to savor the fond memories I have of Freda

“ *And I head a voice from heaven saying unto me, Write, Blessed are
the dead which lie in the Lord from henceforth Yea, saith the Spirit,
that they may rest from their labours; and their works do follow
them. Amen

“ To the Johnson Family:

Offering my deepest condolences during this difficult time. May Freda's memories bring you comfort and peace.

God saw Freda getting tired and a cure was not to be. So He put His arms around her and whispered ?come to me.? With tearful eyes you watched her, and saw her pass away. Although you loved her dearly, you could not make her stay. A golden heart stopped beating, hardworking hands at rest. God broke our hearts to prove to us, He only takes the best.

“ I will never forget when Freda and I became friends when we 1st started working in BSAC. She had a heart, she protected, of sweet kindness. She doesn't have to protect her heart anymore, now she's free. I will never forget you lady, you've touched my heart. Until we meet heaven.
