“ *Dear Beth, Sandy and Buddy,*

My thoughts and prayers are with you and your families during this very difficult time. Your mom had been a steady and constant figure in my life and she will be missed dearly. I regret I can not make it to pay my respects to her and to all of you. I hope you can find comfort in the fact that she is in a better place, happy and with your dad and that they are both watching over you now. Loved ones do not leave us, they live forever in us through our memories and all that they have taught us in our lives.

*My Condolences,
Dawn*

“ *To All The Family of Alice Dennis,
We are so sorry for the loss of your loved one. We always enjoyed Alice so much, and her loving smile and enthusiasm for her family was always evident when we talked no matter which one of us called the other. She was so proud of each and every one of you, and your accomplishments. We hope the loving memories you hold in your heart will carry you through this time of parting and that a part of her will live on in each of you.
God bless you. Prayerfully, In Christ,
