“ *To my beautiful and kind Mother I will miss you so dearly. The only regret I have is putting you through some tough situations that only now as a parent I know how tormenting it can be. You always stuck by us no matter what kind of mess we managed to fall into. Just know all of your words and wisdom did not fall on deaf ears and as an adult I try to practice everything you taught us. Rest well and be with God.*

“ *My prayers go to the Hensley family. Mr and Mrs Hensley were people I listened to and respected as I grew up. I thought of them as parents to be honest. They are together now in heaven with Brian, Bruce and Betty.*

“ So many memories!! From my earliest memory of her and Uncle Bill's wedding reception at her parents' home--all in pink, as I remember--to our many family get togethers with all the cousins as they came along. In later years, my long distance phone calls to Aunt Alice, my visits when I would take Mom, her sister Goldie, to visit and we would go out to lunch together, her choice of restaurant! Thank you Billy for making the last lunch date work with Goldie and me. I am especially thankful for my visit with Aunt Alice after Mom (Goldie) passed away in November. My thoughts and prayers are with all her children and grandchildren--hugs to all. She was truly a great grandma!
