“ Bonnie, Woody and family, so sorry for your loss. Seeing all of you tonight brought a flood of fun memories back from our childhood. Alice was always cooking, I recall Uno, card games, and fireworks at your house in the summer. I remember being in the car with her while she enjoyed listening to her country music. She will be missed. Although she's gone I feel confident that she filled each of you with enough love and memories that you will always feel her presence and she will remain in your heart forever. May your families find peace through these difficult times.

“ *I knew Alice years ago when I lived in Manassas Park. Her daughter and my son were in the same class at Conner Elementary School. I will always remember Alice for her laugh. She was truly someone who would give you the shirt off her back if you needed it. She was great with the kids when she ran the cafeteria at Conner. I am worry Bonnie and Woody for your loss.
