Alice Teresa "Terri" Weadon

1963 – 2025

Alice Teresa "Terri" Weadon, 62, of Nokesville, Virginia passed away on May 10, 2025. Born on February 5, 1963 in Alexandria, Virginia, she lived a life marked by dedication, love, and unwavering strength.

Terri built an extraordinary career over four decades at DCS Corporation, where she served as Vice President of Security. Her leadership and commitment were instrumental in the company earning ten prestigious Cogswell Awards—an achievement that stands as a testament to her professionalism and excellence in the field.

Beyond her professional accomplishments, Terri was known for vibrant spirit and generous heart. She found joy in bowling with friends, singing karaoke with gusto, playing softball, and trying her luck at slot machines. Her energy was infectious and presence lit up every room she entered.

For those who survive her, Terri was a devoted wife to Rick Weadon and a loving mother to Eddie Knickerbocker, Tyler Weadon, and Jenna Weadon. She also shared a close bond with her mother Alice (Lee) Bailey; siblings Dennis Bailey, Tammy Bailey, Robert Bailey, and Tina (Bailey) Dodson; and many others who cherished her deeply.

She was preceded in death by her father Raymond Bailey and grandparents Raymond, Sr and Margaret Bailey; and Woody and Elaine Lee.

In honor of Terri's memory and her selfless nature, donations may be made to the Susan G. Komen Foundation for Breast Cancer at Komen.org.

May her memory bring comfort to those who knew and loved her.

“ *Terri Weadon was a light in every room she entered—graceful, warm, and endlessly supportive. Whether she was guiding a teammate, offering words of encouragement, or simply sharing a laugh, she did it with authenticity and heart. Terri had a remarkable ability to make others feel seen and valued, and her presence brought calm and strength during even the most challenging times.*

I'll always remember her gentle spirit, unwavering professionalism, and the kindness that flowed so naturally from her. Her legacy will live on in the lives she touched, the friendships she built, and the difference she made every single day.

She will be deeply missed, but never forgotten. Love ❤️ Carrie Hamn

“ When Teresa was born, I cried like a baby. These were happy tears.. We already had a son and I wanted a little girl this time. When the doctor said its a girl I think I cried harder than that beautiful baby girl. She has accomplished so much in her lifetime. She was a wonderful daughter, a wonderful wife and mother and a wonderful sister and friends to so many people. She was truly a gift to all of us and I thank God for the time he gave us with her. In our eyes it was too short a time but God must have some special plans for her I know she will be truly an Angel in heaven as she was on earth. I love you so much Teresa and miss you.

“ Where do I begin? Most respectable and inspiring manager, second mother, sister, friend, confidante, mentor, counselor, warrior... Terri is, and always will be, one of my very favorite humans. She genuinely believed in me when I didn't believe in myself. She is one of a kind, in the best way. I miss and love her so much.

With gratitude to have known Terri,
