“ *To the Tursky family - I did not know Alison, but I have worked with Bob and Dave for years at Volvo. If she was similar to her Dad and Brother, then she was a wonderful person. My thoughts are with you and your family during this time. With deepest sympathy - Kim Bair*

“*Hunt and I were greatly saddened by the loss of your beloved Alison. She was a sweet, vivacious and caring child from the minute she was born. Always fun & smiling (although a bit shy at first), she was always so polite & gracious during our summer parties, get togethers and sew group gatherings. After all our children grew up and scattered to different colleges and jobs, the times together were less but always refreshed in posted pictures and emails from Diana or Bob. Alison herself was so good in keeping us informed of her new dogs, vacations with Shawn, visits to Gina and memories of Diana. She will be missed by all those who knew her and those who she graced with her sunshine of a personality...she will not be forgotten. Sending our love & hugs...may she Rest In Peace, Susan & Hunt Herrigel*

“*Ali was so sweet! I was in Tri Sigma and lived in the same dorm as she did in college. She always stopped to say hello, and was always smiling and so kind. I also ran into her several times over the years, and she was always kind and so sweet. I was so sorry to hear that she was gone from this world. My sincere condolences. ~Missy*
