“ We lived and grew up with all of the pelkeys and when I went into the working world Al’s company was one of the first that I called on. Al was always patient with me and help me grow and learn and taught me a lot about the electrical business and life . Then I had the pleasure of working with him at fairfax county. Al was a great man and human being and I and everyone will miss his kindness and laughter. Rest peacefully my friend.

“ On behalf of the Chuck Pelkey family, we will greatly miss our Dad and Grampy. We will remember his laugh and rosy cheeks. We will miss his willingness to lend a helping hand whenever needed. We were all grateful to have had this wonderful man in our lives. A piece of him will live in our hearts forever. Now he is at peace and joined with Dottie for eternity. May God provide peace to the family at this time.

*My big brother, Al; how I loved him. He was the "king" of our family and earned that reputation with his caring, generous and joyful personality. My childhood was extra special because of him. He will live in my thoughts and prayers until we meet again one day in heaven.*
