“ I remember when I met Ms. Alma; she was so nice with me at work. When I started at the Hospital Alma trained me to work in the clean linen area. She was always very friendly and talked to me like we were related. I was so young and very responsible she said that she admired me for that. I really going to miss Alma but she will be always in my heart for ever, my condolences to her family and friends. Alma was an example of greatness and a hard working person that always give you great advice. Rest in peace Alma I will always remember you.
