“ *My heart and prayers go out to Amanda's children, her family, and her fiance as they mourn her sudden passing.*

I first met Amanda when she was a student in classes I taught at Strayer University. She was a young single mother with two beautiful baby girls, Benita and Brooke. I was impressed with her determination to be the best she could be in all aspects of her life, her ability to laugh especially when life was difficult, and the great love she had for her family. I'm glad we stayed in touch all these years and will cherish the memories.

“ *I will always remember Amanda for her bubbly personality and her contagious sense of humor. Her angelic smile could so easily fool you because so often behind it was a devilish plan just waiting to bait, then giggle.
Amanda, you will always be in my thoughts, my heart, and my prayers. God has a new Angel!*

“ Amanda - you made my vowel renewal event last year at the Holiday Inn beautiful and I couldn't thank you enough. In the few short months of planning I got to know you and learned that you were pure comedy. You have such a sweet spirit. You will truly be missed. God bless you and your family.

“ I just don't even know where to begin. I JUST chatted with you last week!! I saw you in July at Mark's viewing and we even joked that we needed to stop reunion's at funeral's. You're fired btw! Perhaps I didn't clearly outline what the rules were.. I know that if you could read this you would laugh, though right now I can't even smile.

You were my friend before you even started at Holiday Inn. I remember you walking in for your 7 am shift. "Nobody talk to me, I need my COFFEE!" That always made me laugh. Long after I left H.I., I would hear that phrase and always think of you. I don't understand this at all. You lit up a room! You had this amazing ability to make someone laugh til their sides ached, and were crying, and out of breath. Then you would turn around, head to the Front Desk and be the most amazing professional woman that I had ever seen! We've lost you for reasons that I can't even begin to rationalize or explain. We had you in our lives for reasons that would take years to list.

Love you Girly!

“ I only knew Amanda a few days, just started working with her. But the few days that I knew her she made a huge impact on my life. She spoke about her fiancée and that he meant everything to her and that he was the best thing that ever happened to her. She spoke about her children and how blessed she was. All of us here at work is able to sit around and laugh about some of the things that she would say and the way she would smile and laugh, many comments was made how she cared so much for the people here and I seen this first hand.
This is why I tell people that we are not promised another day and to be good to the ones around us, make that call, we are not promised another day or minute.

“ *When I heard that you had left us
I was simply blown away
How could that be possible?
We were just laughing the other day.*

*Your dry wit and your humor
Your ‘grin’ and beautiful smile
No one knew what you’d do next
You had one unique style!*

*We hadn’t worked together for awhile
But when we did
Oh how I’d anticipate you
Clocking “in” on our shift
How I waited for your quips
You had a truly special gift.*

*Always there for everyone
So dependable, sincere
Kind, gentle and caring
Felt good to have you near.*

*So, my dear departed friend
I’ll think of you each day
Peace and rest and comfort
I hope you’ve found today.*

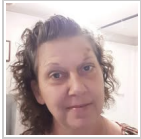

*To her Children, Fiance and the Family
We send our Condolences, Prayers and Heartfelt Sympathy
God Gained An Angel....
Even though it was way too soon and sudden for us
The memories will always be apart of everyone
that she touched...
May God, Friends & Family Comfort each and everyone of you...*

Amanda Marie Carroll, God seen that you where tired and he

grabbed your hand. May you rest in glory now And continue to watch over all of us...I know you will be guarding your children :)

Thank you for always being a True Friend and NEVER asking for anything in return....

I was shocked to hear about the heart-breaking news of Amanda's untimely death. She was my best friend and manager at Holiday Inn Manassas 2003-2005. Later, we remained in touch with each other for banquettes and parties for which she would always give me special attention. She was such a gentle soul for everyone. She had an eternal smiling face which is still fresh in my mind. I am sure that she is watching us all from Heaven.

I pray also that May God help the family and kids to overcome this irreparable loss.

RIP Amanda!
