“ Tuve la gran fortuna de conocer y compartir momentos con Ana Julia y Claudio papa. Una gran mujer. Divertida, siempre alegre y dispuesta a ayudar; amorosa y tierna. En todo lo que hacia se reflejaba el amor infinito por su esposo e hijo.

Anita, esto no es un adios sino un hasta luego y mientras te sigamos recordando nunca moriras.

Descansa en paz y contagia de alegria a todos en el cielo.

“ *Ana Julia was the biggest blessing. Her fire, spunk, and absolutely loving spirit shined through everything she did. It only took simple conversation, something as simple as sharing our love for makeup, she always brought a ray of sunshine and life to my day. She was a fighter, yet viewing every situation as something to smile about. In the short time that i had the pleasure of knowing her, she made a huge impact on my life.*

The love she shared with Claudio was truly the definition of a wonderful marriage to me. I would always admire them, the way the spoke to eachother, when she would call him 'papi' at lunch. They shared a love that is truly once in a life time. She adored him, and he adored her, and it showed in everything they did.

Ana Julia, you will be forever missed, loved, and treasured by those who had the privilege of calling you friend, sister, mother, grandmother, etc. I can only imagine the treasured stored up for you in heaven, La mejor fiesta con El Senor Jesus Cristo, I can only imagine :) Not a goodbye, just see you later.

“ Hoy, trato de enlazar las palabras que con lagrimas salen de mi alma, palabras que en este momento no quisiera decir, palabras que acompañaran esta tristeza por una ausencia que no esperaba.

*La nostalgia me visita otra vez trayendo a la memoria recuerdos de esa gran mujer,
una mujer maravillosa, llena de fuerza, llena de vitalidad, llena de vida*

Parece que las palabras tambien se despiden de mi, tengo tanto que decir pero tu ausencia enmudece mi voz, cautiva mi pensamiento y sencillamente no puedo.

*Tia, esto te quiero decir, y se que me escucharas porque no te has ido y nunca te iras
porque estas en cada latido, en cada lagrima y en cada suspiro.*

*Ahora mismo estas, pues tu esencia sigue aqui, tu recuerdo, tu ejemplo, tu valor y tu esfuerzo
han quedado plasmados en nuestra memoria y escritos con letras doradas en mi corazon.*

*Tia amada, tus palabras viviran en mi alma, las recordare cada mañana,
ahora mismo la tristeza me quita la calma pero hago muy mio tu recuerdo, tus besos, tus abrazos
son un tesoro interminable.*

Tia, mujer admirable, no has muerto, y nunca lo haras, porque no se muere cuando el corazon deja de latir, se muere cuando en los recuerdos se deja de existir y tu estas presente, estas aqui, en un rinconcito de mi ser, en mi corazon estas viva.

Estas viva para todos, estas viva para mi.

Te amo mi tia Hermosa por siempre!
