“ *I have many memories of my dear friend. One that would always get me was that she was always cold. We would be down at the lake in 95+ weather and she would have her blue jeans on and long shirt and never sweated. Another is that she would always be reading. It would not just be 1 book but she would have several going at once. There are many more that we both laughed at with our lovingly teasing to each other and others that took Andrea a little more time to forgive my antics. But she would of done anything for us! She was a true loving friend and will be missed but not forgotten.*

“ My two favorite memories of Andrea is our uncanny luck as a team and persistently winning in euchre games against our husbands. My other favorite memory is her sitting contentedly and completing our puzzles or reading a book at our Lakehouse. Andrea was a good friend and a good person. I miss her, I am glad she's out of pain and I know because of our faiths, we will meet again.
