“ Dear Andrés,

*I'm so sad to hear the news. I want you to know how awesome your mother would have been with you as her son. She was more than anxious to meet you. It's hard to just say "well, he's in a better place now", because it doesn't change that you were no longer here.*

*I pray that you didn't suffer, and I pray for my dear friend (your mother) and her husband as they grieve this loss, our dear sweet Andrés. ❤️*
