“ *Random memory; me and Andy were in my old apartment on the last night I was there. He was helping me pack the last of my kitchen stuff into boxes and we were just sitting in my Kitchen. Knowing this was the last time me and him were there, we thought we would do something special. I looked at the clock and it was going on 10 pm. Oh no! We thought, all the food places are closed. Hopped onto the interweb and luckily found one Chinese food place open. For some reason I think back to that night a lot. Me and Andy sitting in my empty kitchen eating the most delicious Chinese food ever*

“ I have memories of Andy as a child always talking and smiling. Always happy when he was visiting his grandmother (Ginger) . adventurous and ready to explore. I have had the pleasure of being part of Andy's life for a number of years but have kept informed of him. Im his brothers granny and know how much Andy was loved by his family and love ones. He was taken to young and will be missed
