“ *Nina Angelita aka Aca. She was a petite lady with a grand personality. You did not tell her what to do. That's for sure! Little Ms Feisty. I can still hear her voice.. calling out to Nano..whether telling him what to do or just protecting him from himself. I absolutely love her and will miss her always. One day she told me while making fun of something ..."Nancy todos vamos para El mismo lugar" then she giggled in the mischievous way that she giggled when she knew something may not be appropriate followed by her cute smile. RIP I will always hear your voice in my head. Until we meet again. Love you, Nancy*
