“ *I met nonni in 2003, the year my mom and Ettore were married, and afterwards saw her in every family gathering. In the last few years she came to the house to stay with us a couple of days during the holidays. I think she enjoyed having family around. She spoke Italian/calabrese and I spoke English, but somehow we understood each other. She was very sweet, observant, had a great memory, and loved playing mahjong on the ipad.*
