“ I knew her from my time at Signature . She was almost always smiling. I can't believe she is gone so young and pretty. So sorry Bobby. She had such a sweet voice.

“ I will always remember Anita as my cool older cousin. From the time I can remember, she was already a teenager. I watched in awe as she graduated high school, married her high school sweetheart, and became a mother. Some of my favorite times with her were when we unknowingly got hired to work at the same restaurant. It was so fun going in to work and getting to hang out with her. She was always there for family events, hosting them, helping out, and always showing up. Even when we didn't see each other for a long time, she always had a way of treating my kids like her own; feeding them, playing with them, making them feel special. I will always remember her kind heart. Although my heart aches right now, I am glad to have such good memories of Anita to put a smile on my face. Rest in peace sweet cousin!

“ I am so very sad to learn of Anita's passing. I remember her and her brother, Robert so fondly from their days at LaPetite Acadamy when they were young children. She was a lovely child, and I have no doubt she grew into a beautiful, caring woman. My most sincere condolences to Anita's entire family. You will all be in my prayers during this very sad and difficult time.
