“ Ann and her family have been "like family" to my mother (Jane), sister (Patricia) and me since 1959 when she nannied us on Scott Drive! Patricia and I have always considered Ann to be another Grandmother to us and we have so many cherished memories of fun times spent with her! Knowing how she missed her dear Charlie and other family who have already passed from this life, Ann must be reveling in her Heavenly reunion! We pray for those she leaves here (for now), the peace and comfort that only Jesus can give. God bless you all! We'll see you in the sweet by and by, Ann, and share some tomato soup and chocolate frozen custard! XOXO Laura Wayland, Virginia Beach

“ Ann was a very special friend. I have so many sweet memories of her that will stay with me forever. My thoughts and prayers are with her many friends and family and I pray that your special memories will comfort your hearts. She often spoke of her Mom, Charlie and other family gone on before her so I know she's happy today reunited with them in her forever home.

We were truly blessed when we met Ms. Ann and our lives were forever changed we received an entire new family it's great. We are sad she is gone but we know she is in a much better place and it was her prayer to be with Charlie, her Mom and her other family gone before her. Dear Judy, Connie and Ann's family,

How do you describe such a wonderful lady? I stayed with the Breedens for 2 summers while my mom went back to college. Ann always had a smile for you, even if you had done something wrong. She was so very special. I know you are missing her today, but share the memories and may they give you peace. Heaven is a brighter place today as Ann is there.
