“ Some days at work Ann and I would talk about everything and nothing. Some days she was my strength and sometimes I was hers. I miss her already, I love you Ann.

“ This was certainly a sad day for me to come to work and read about a wonderful woman leaving us. I worked with Ms. Ann when I transferred from one county office to the Tourism Office in 2001 and she worked in the Economical Development Office which was in the same building. She was always a joy to work with, talk to and was a wealth of information. After I left the Tourism Office I would always send her a card for Administrative Secretaries Day because I always thought about her and could never forget her sweet personality. She always had her hair so neat and was truly a gem of a co-worker!! My thoughts and prayers are with your family at this sorrow filled time in your lives!!
