“ For whatever reason I was thinking of Ann today and found this on the internet. Very sorry to hear of her passing. Ann and I were buddies across the hall from each other for many years at Marsteller Middle. Rest in peace Ann, with no Jack and Jim, you should be just fine! Only you would know what that means

“ Just heard of Ann's passing and am heartbroken. Ann and I were high school friends when we attended George Washington High School in Alexandria. She was always so talented, gracious and wonderful to be around. Unfortunately after high school we only talked occasionally, but did get to see each other during high school reunions. May God bless her and her family.
