“ *Talbot Family, Our thoughts, prayers and condolences go out to each of you for the loss of your wonderful Mother. I would like to share a phrase with you that I received recently after I lost one of my best friends: We can't know why somethings happen.... but we can know that love and beautiful memories outlast the pain of grief. And we can know that there's a place inside the heart where love lives always... and where nothing beautiful can ever be forgotten.*

Your mother will always be a very fond memory in my life. May God bless all of you and lift you up during this difficult time.
