“ I was a student at Marsteller and Mrs. Cutlip found me in the hall crying. A male teacher had screamed at me and humiliated me in his classroom. She was such a comfort to me. Just like a mother. She had a chat with the teacher known for his temper and he never ever bothered me again. I never forgot that day. I was 13 years old and I am now 70 and I will always remember her kindness.

“ *Barbara, Lisa, David and family, I am sorry you no longer have your mother and grandmother with you here on earth, but if you had a glimpse of her well, happy and rejoicing with Russell, Jerry and our Heavenly Father, you could have peace and know she is home at last. She was like a second mother to me for so many years. We lived life together and created so many fond memories. Your family was my family. Anna touched so many lives as a gracious, loving and positive influence. There was always love in your house. I pray you have strength and understanding in the days to come. She would be so proud of each family member. Her presence will live on. Love. Joyce Johnson*

“ Since we have known the family all of my lifetime, there are so many memories! When Anna and Russell came to Virginia from West Virginia, we got together many times over the years. Their home was always filled with love, good food and fellowship. We loved reminiscing about things that happened back "home!" Even though a few times we actually dropped in to visit with them, Anna never let anything bother her. She always made us feel welcome - just like family. Both she and Russell will be missed, we know they are in Heaven and no longer suffering. It's never easy to lose good friends; however, we cherish all of the good memories and the good times we had together. We pray that all of the family members will find peace with the knowledge that Anna and Russell are together once again. We also pray that Barbara will always know that she was a wonderful daughter in caring for her parents until the end. Much love, Sharon & Jimmy Given and family

“ So sorry to hear of Mrs. Cutlip’s passing. She was an amazing lady to all who were blessed to have her in their lives. She was a dear friend to my late mother-in-law, Doris D. Cockerham, and my family was blessed to know her as she taught my sister, Judy Whiting Swoope, in high school. I know she is rejoicing with her Heavenly Father...and my prayers are with her dear family during this time of grief and in the times to come.

God bless you all...
