“ Anna had wonderful stories she could talk and talk. I know we went to two district conferences together. She loved all of her school kids. God I know you have called Anna home - FYI, put a extra hour or two in your schedule to listen to her. Anna I will miss you.

“ We were so sorry to hear of Anna's passing. She was a wonderful caring person and gave so much of her time to her community. Memories of Anna whizzing down Fitzwater Drive on her bicycle will always stay with us. She always had time to visit my mother even when she became so ill. Her faith was strong. Please know you all are in our thoughts and prayers at this very sad tie.

“ *“But the Master comes and the foolish crowd
Never can quite understand
The worth of a soul and the change that's wrought
By the touch of the Master's hand”
Anna, you were touched by our great Master's hand and now have
gone back to Him, and the true worth to all the people you have
touched in your lifetime can never be measured... My condolences
to all the family.*
