“ Please accept my deepest condolences for the passing of Anne Marie. I'll always have my childhood memories, growing up in the neighborhood. May our Lord accept Mrs. Noe with open arms, reuniting her with loved ones and friends who passed before. Gently cup his hands around the family with love and mercy, as they make this difficult transition.

“ As Robin pointed out The Noe family and the Gibson family often seemed as one family over the years. Anna Marie was kind and loving and loyal beyond measure. She will be missed by all of us. One of my favorite memories is when our Michael and Chris came up with us for a visit and Ana Mari and Ken took us into DC for the day. So many memories from that trip, all good. Love and prayers to you all. We will see you soon. Love Becky and Mike

“ Dock, Korie and I are so sad to hear the news of Anna Marie's passing. She was such a special person and meant so much to our entire family. While she was not technically a member of our family, the friendship between Anna Marie and my mother -- that began at my birth -- made us family. Anna Marie, Ken and their children were always considered a member of the extended Gibson family. They were always there for my mother (Elaine) and father (Ed), and I wish so much I could have been there for her the way she was there for us. Living so far away and working the way Dock and I work has made it hard to get to Manassas. (That's a horrible excuse, and I wish so much I had MADE TIME to get there.) Still, the Noe family has been on my heart and in my prayers. My memories of Anna Marie and her family are precious and will be with me forever. I pray that God will comfort her family during this time and in the days to come. She will certainly be missed. God bless. We love you all.
