“ Jo was a very lovely lady. We became friends here at Caton Merchant House, assisted Living in Manassas, Va. I was not aware she passed until today as Mabel our volunteer told me today. She was top notch in her field of nursing and helped many people in her life. She always had time to help people. She helped me with a long time family issue and it has been resolved as a result to all positives. She was a very special lady and will be greatly missed.
