“ For every life has a purpose to fill, a purpose us humans can seldom infer. But she was a gift from heaven whose purpose was to make this world understand what love, friendship, goodness, and humbleness was all about. Goodness belongs to heaven , and I know she is watching us from there, bestowing her beautiful smile upon us. May her soul rest in peace.

“ Annette and I have been friends since our early teenage years. We sang together in a gospel group called the Joybells when we were teenagers. I will forever remember her sweet smile and laughter. I know that Annette is resting in the arms of God. Annette missed her parents and brothers who have passed away but now has the opportunity to have a reunion. To her husband and children I send my deepest sympathy. May you find comfort in the memories you shared with her. Our prayers are with your family. We shall never forget her. “ I worked with Annette for ten year on PCU at Prince William Hospital. I was always happy to see her there when I arrived because she always made my shift easier and more fun. She was quick to help me and others, a hard worker...and that smile, always! I cried when I heard of her passing. I know she is in Heaven, and I will see her again, by the Grace of God. I am so sorry for your loss and mine too. Sincerely, Gaye Webb RN

“ My heart is so heavy for those Annette loved so dearly, Hamid, Shayda, and Shawn. Though we know for certain the Host of Heaven have welcomed her home, we remain to weep, to mourn, and remember our beautiful and wonderful Annette. So wish I could be there with my family but I know one day we will be together in Heaven. I love you Hamid. Love you Shayda. Love you to Shawn. In prayer I will continue to mention your names to our Loving Father who will give strenght and comfort and will always be present with you. Love you, Binky.

“ Annette's passing is a huge loss. I worked with Annette for many years and had missed seeing her at work. But always knew that she was out there and ready to come back to work with us was my hope. All hopes of that are going. Annette was a beautiful person inside and out. She truly was the most caring nursing tech I have EVER known. She would say to me, "I love my old people" and it showed. She cared for our patients like there were family. She treated everyone with dignity and respect. She took such great pride in her work. It was my honor to work beside her in our endeavor to care for patients day in and day out. My prayers are with Annette, Hamid, Shayda and Shawn. God is watching over you and He is welcoming Annette into Heaven. God bless and keep you for one day we will see her again. I'm sure God has already given her "an assignment" in Heaven!
