“ Rest in peace my dear cousin "Baby" Senseng. I regret not having spent more time with you and your family (Tito Memong's children and grandchildren). I am glad I was able to see you at Tita Edith's funeral in LA and also when you came to visit Chicago many years ago. I'll always remember you as a happy and baby faced guy. I guess that's how you got your nickname. I'm glad I was also able to meet your wife Loida. I know you both enjoyed food a lot, so now you can partake of the endless buffet in heaven. May our Lord receive you with open arms and give you eternal life. .
I hope we can have a chance to visit kuya Boy, Lino, Gigi, Jerwin and the Manassas family in the future.
From Kuya Dan, Ate Tess, Allan, Letty, Fenie (late Freddy's widow) and Emma Marcos, my mom's beloved long time caregiver.
