

Anthony Brian Miller

April 19, 1982 - December 7, 2019

Anthony Brian Miller 37 years of age. Passed away on Saturday Dec 07, 2019 in his home in Burke, VA. Anthony was born April 19, 1982. He was born to Brian K. Miller, and Renee' A. Miller.

Anthony is predeceased by his father Brian K. Miller. He is survived by his mother Renee' A. Miller. His older sister Susan R. Miller. His younger sister Ashley M. Miller. Brother in law Dominick A. Alesi. Grandmother Angel Poremba. Grandfather Michael A. Poremba. His 2 nieces Aliyah M. Miller and Mariah F. Alesi. His nephew Michael A. Alesi. Anthony also leaves his 2 daughters Giselle C. Miller, and Chole N. Miller. Also, aunts, uncles, and cousins.

Anthony enjoyed cheering for the Redskins. Loved watching the games with his father, and sisters. Heard some cheering or hollering going on! He enjoyed poker tournaments. He had a many of card playing games at home bringing together family and friends.

He loved playing with his nieces and nephew. From going to Sky Zone, Six Flags, and loving the pool time together. Uncle Anthony would teach them with so much love. Only wanted the best of them. He gave these 3 children everything he possibly could.

Since Anthony was a young boy, he enjoyed collecting baseball cards. What a magnificent collection he leaves to his nephew. Anthony enjoyed playing all kinds of sports, but especially football, and basketball.

He didn't mind staying home with family and watching a tv show, a series

especially The Sopranos, or Shameless. Kings and Queens, Seinfeld or sports. You might have found Anthony playing a game of rummy too with his Grandmother.

I ask you...Tell me what it feels like in heaven? Is it peaceful? Is it free like they say? Does the sun shine bright forever? Have your fears and pain gone away? Because here on earth feels like everything good is missing since you left. Here on earth everything's different. There is an emptiness. I bet it's so nice in heaven when you saw daddy, and he wrapped his arms tightly around you, and welcomed you.

Watch over us, and know we will never STOP LOVING YOU...until we see you again

“ With heartbreak and great sadness, in the blink of an eye, you are gone, my dear cousin Anthony 😭😭😭 37 years young. So soon after the heartache of your dad leaving us 😭😭😭 Those big, beautiful, brown eyes we won't get to see anymore. Your loving heart we will no longer feel. A smile that lights up those around you, gone forever 😭😭😭 I can only pray that you are where you feel nothing but endless love, warmth, comfort, serenity...now with your dad (and Grandma) and that you no longer feel lost and empty 💔 I'm sure Pop and Uncle Dwight will bring the laughter, sass, and good times in the heavens above. Hurts like hell though for those you left behind 😭😭😭 I love you so very much, cuz. May you be at peace. Forever In Our Hearts ❤️❤️❤️

“ Anthony you were the most beautiful baby I ever laid eyes on. The first baby boy I ever changed a diaper for. What happened that moment will be a laugh we share forever
I'm still in disbelief that you have left us all and wish we could of spent more time together over the years. My heart goes out to your Mom, Susan, and Ashley.
I know your in a peaceful place with your Dad and your Grandma along with other family members we have lost over the years.
Send those messages to your family that your still with them. I get mine all the time in my dreams 💕💕

“ To my brother Anthony, I love you so much bro no words could ever explain the love and care that I have for you. Anthony your smile was contagious every time I saw you you had a great smile on your face, the love care support and kindness that you showed me is unmatched by almost anyone. A strong Real Man on the outside with the best heart on the inside, you are always always without a doubt there for me through anything and everything.. you loved your family and friends so strongly and unconditionally. The last time we spoke we talked on the phone for almost 2 hours an hour and 49 minutes to be exact and you told me that we could talk for another two hours and it would seem like nothing. Even though it might be a cliché to some you really were and are your brother's keeper and I know that you know how much I loved you and everyone loved you ! Even though there is no doubt in your heart how much I Love You you will FOREVER Be Loved and Missed I just want to say it again that I love you soo very much ! With the utmost sincerity Bram Bigdeli, Wyatt Bigdeli and all the Bigdeli Family and crew WE LOVE YOU Anthony Brian Miller FOREVER !!!..❤️🙏👊🦊
