Having been crushed by Tony at many Academy wrestling practices, I can attest to his strength. He was a mountain of a man physically and mentally! Our paths diverged after the Academy, but he returned to my thoughts many times over the years as a good guy and a friend. Bon Voyage Tony!

I just heard of Tony's passing. I had the privilege of working for him for 5 years. He was a great leader and had a wonderful sense of humor. So sad to hear that he is gone.
