“ A memory I'll hold near and dear to my heart is Anthony helping me make my wedding cake. He refused to stop even when he bought me pink flowers instead of red like I already had for my cake. I was pregnant so I couldn't drink at my wedding but he had a few for me. After I had James all I can remember him saying is “that big ole VanDeventer head came outta you?!” In the goofiest way he coulda ever said it. Now looking down the line he met his niece Evelynn for the first time 3 weeks ago and man did I see nothing but his little twin right there hugging him. I have so many memories I could share of Ant but I'd be here for days. I love you buddy and even though I was your sister by marriage you were the older brother I always wanted!

“ *From Great, Great Grand Mother Pat VanDeventer:
I remember standing on our deck one evening and talking with
Anthony about work, life and the Lord. We loved every minute with
him .. and loved him very much.*

*I will miss our quiet talks, the moments we shared, and the
inevitable test of the "grip." I don't remember ever letting him win,
but he tried. Our love remains steadfast.*

“ Anthony was such a natural camper and explorer. His bonfires were always impressive and his love for nature was always evident. I will always remember the times we spent in Bumpass and will never forget his smile and contagious laugh. Love you Anthony!

“ My favorite memories are all the kids together. Anthony in his tux tshirt at my wedding. His hugs. Him laughing and proposing in my kitchen with a quarter machine ring. I love you all.
