“ *Uncle Arlen so sad to hear that you have went to heaven. Didn't see you much in the past years but I will always remember you as one of my favorite uncles that anyone can ask for. You and Aunt Violet was always there for us and mom. Now you will be reunited with your wife and your sister-in-law. Love you always and I will see you again when it's my time to join the family*

“ *Papa I am writing this with a heavy heart right now, as it hasn't really sunk in yet that you are gone. Your kindness and humor will be greatly missed by all of us. You were always the first to extend your hand in friendship with the familiar "howdy". I was so sad to hear of your passing, but so glad that you were able to join grandma Violet in heaven. Until we meet again I will always keep you and granny in my thoughts and prayers.*

“ My Grandpa was a loving, caring, funny person and he will be deeply missed. Not a day will go by that I will not think of him and the way he made us all laugh when he would say "Merry Christmas" on Thanksgiving or "Happy New Year" on Christmas. He made jokes even when he wasn't feeling well. I'm sad he is gone but happy that he is no longer suffering. He is now reunited with Granny, the love of his life. He is gone but will be forgotten. Love you Papa.
